GVH Kids Halloween Party

Celebrations

Beer and Brisket Night a Success!

Thanks to **Jacquie Eales** and **Brent Webster** for organizing the Beer and Brisket Night. The turnout was great, with 75 GVH neighbours getting together at the hall for some great food and good laughs. Thanks too to everyone who helped Jacquie and Brent feed the masses!

Thank You, Volunteers!

Thanks to **Tennis Committee** volunteers Barb Brass and Tara Foxcroft for making sure the equipment and courts were kept in good shape. Thanks also to all the GVH Community League members for ensuring the gate remained locked and inaccessible to non-members. Your diligence meant that this summer we did not have any issues with non-members monopolizing the courts.

Thank you to Grandview Heights Gardening Group!

The garden at the rink area is looking fantastic thanks to the dedicated and hard-working Gardening Group. Over the years, volunteers have enhanced the area to a standard well above what you'll find in other neighbourhoods. The group worked throughout the summer to keep things looking great. A huge thank you to Susie Xu, Bill MacDonald, Jennifer and Dev Jennings, Carole Nyquist, Marilyn Cree, Emily Ekure, and Lori Kraus. Thanks also to Shelley Ross and David Kraus for donating plants.

Special Olympics

This summer, the league had the pleasure of welcoming the Special Olympics to the outdoor rink on Saturday mornings for their Kids Soccer Program. Thanks to GVH's unsung lawn mowing heroes Bill MacDonald and Norm Chwaklinski for ensuring the grass surface was always clean and safe for the athletes!

Green Shack Update

This past summer, the average participation rate was nine kids per hour at this free City drop-in program. Participation numbers help decide what neighbourhoods qualify for next year, and GVH numbers mean things are looking very positive for the return of Green Shack in 2027. Thanks to all the kids who showed up to support the program!

Sunday Soccer Kick Around

Thanks to Chris Feng for spearheading another year of Sunday soccer fun and to the dedicated players who showed up to battle the mosquitoes!

Announcements

Alma Update (formerly West 240) - GVH Road Link a Possibility

The Neighbourhood Area Structure Plan (NASP) presented at last spring's Open House (and included in the notice mailed out prior to the event) did not include a road link between Alma and GVH. It limited Alma traffic access to two new intersections off 122 St. south of GVH which are projected by the developer to accommodate all traffic in/out of Alma. The plan is now under review by the City.

The Community League has learned that the City wants a road link from GVH to Alma at 129 St. to allow for a bus transit route to/from Alma through GVH to 122 St., and that this would require unspecified amendments to roadways and street parking access within GVH.

A road link to Alma will invite cut-through traffic into GVH, and the City is aware of the GVH Community League's opposition to it. Efforts are underway to learn more about why the City wants the link, and how it will impact traffic volume and flow in GVH.

The road link issue is now the Board's top priority. We will enlist neighbourhood support once we know more about what we are up against. Our goal is to have GVH speak with a united, informed and credible voice during the City's review period and at the Public Hearing.

Please stay tuned.

GVH Community League Board of Directors

We Are Hiring
Provincial Referendum
Election Officers

Positions available for:

- Advance Voting, October 13-17
- Election Day, October 19
- Counting Ballots, October 19-21

APPLY TODAY

Referendum Election Officers Needed

Election Alberta are looking for election workers who are primarily interested in being Counting Officers starting on October 19th. On October 19th, shifts will begin starting at 4:00 PM for the Advance Poll Counting Team and 9:00 PM for the Referendum Day Poll Counting Team.

Counting Officers will be paid \$75 upon completion of a 2 hour in-person training session and \$20 per hour for their counting duties.

Please apply on the Elections Alberta website at www.elections.ab.ca/jobs.

Fall 2026 Tennis Program

Edmonton Tennis Community (ETC) offers tennis programming for a variety of ages and skill levels. Visit www.edmontontennis.ca for more program details and registration.

The poster for the Edmonton Tennis Community (ETC) Fall 2026 Tennis Program features a green and white color scheme. At the top left is the ETC logo. The main headline reads "FALL TENNIS IS BACK! REGISTER TODAY!" in bold, orange and blue letters. Below this, it says "Programs for ages 3-18+". Two photographs show tennis activities: one with an adult and children, and another with a child hitting a ball. A list of program features is on the left, and a QR code with the text "REGISTER NOW!" is on the right. The bottom of the poster includes the email "info@edmontontennis.ca" and the website "www.edmontontennis.ca".
