GVH Community Survey on GVH-Alma Road Link

Overview

The City is in the final stages of reviewing the University of Alberta Trust's (UAPT) development plan for the new Alma neighbourhood (formerly **West 240/U of A Farm)**. When the review is complete, the City will set a date (TBD) for a Public Hearing before the City Council, which will then either approve or deny the Alma plan.

We now know the City wants to see a road link off 62 Ave. at 129th St. This could bring 700 vehicles of cut-through traffic daily to GVH.

The City wants the link to provide a bus transit route to/from Alma and through GVH to 122 St., which would also allow for the return of regular bus service to GVH.

- More traffic turning in/out of GVH will impact travel times at GVH's two road access points off 122 St.
- More cars/trucks driving by the school will increase traffic safety risks for our kids.

For more info, see the ***"****Collector Network Review* "in Phase 2 Document Library at https://engaged.edmonton.ca/West240

The League is now preparing to speak at the Public Hearing and needs to hear from you.

We will be delivering an information flyer to all GVH homes in early November, which will include a survey with two simple questions based on what City Council will most likely want to know about GVH at the hearing.

The goal is to have the League speak with an informed and credible voice during the City's review period and at the Public Hearing, so the more responses we get the better.

Community Meeting

If you want more information, plan to attend a community meeting on **Wednesday, November 18th at 7:30 p.m. at the GVH Hall.**

Look for the flyer in your mailbox and please take the time to respond to the survey by November 20th.

Make Your Voice Heard!

Two easy ways to participate:

Pen and paper: Fill out the survey on the **paper flyer delivered to your mailbox** and drop off/mail to GVH Hall at 12603 63 Ave. T6H 2J9; or **ask for home pick-up** of paper survey via email grandviewheightspresident@gmail.com

Online: Scan the QR code below using your smart device to complete the survey on-line.

GVH Annual Halloween Party

An army of scary and strange characters descended on the hall on October 24 to get a head start on the Halloween fun, and DJ Marty kept the party rocking for yet another year! The fantastic costumes made life difficult for the contest judges. Thanks to all entrants and congratulations to the winners.

Huge thanks to Christine Rho for taking the lead in organizing the party and to all those who helped her out. Happy Halloween!

Thanks to the Tennis Court Take Down Crew

A small but hardy crew of volunteers showed up on October 24 to take down the nets and close up the courts for winter. On behalf of everyone who played there this summer, thank you!

Share Your Thoughts on Residential Parking

The City wants to hear your experiences and priorities when it comes to parking in GHV and other neighbourhoods. The public engagement process is open to all Edmontonians and runs **October 15 – November 15**. Your input will help the City redesign the *Residential Parking Program*, while shaping the future of curbside and parking programming overall.
